AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Vehicle Theft, Vehicle Prowl, Hit and Run/Unattended	INCIDENT NUMBER 14-00230
NAME OF VICTIM(S) Joseph Lewis; Thomas Grayson; Arturo Salas; Rebecca Sinclair; Alyssa Ottinger		

Summary:

On 1/26/2014, Austin R. Stevens (6/26/98) and Stephen M. Porcaro (7/22/96) were prowling vehicles in Austin's neighborhood when they stole a Ford F350 pick-up truck. They then proceeded to hit multiple parked cars and a row of mail boxes. After finally disabling the truck, they fled on foot back towards Austin's house, where they proceeded to steal another vehicle. They abandoned that one when it broke down.

Narrative:

On 1/26/2014 at approximately 0643 hours, I responded to a report of a vehicle theft at 1416 94th DR SE in the City of Lake Stevens. A 2011 Ford F350 Diesel pick-up truck had been stolen within the past 10 min. While en route, I came upon a collision at the 9300 blk of 15th PL SE. A F350 truck bearing Washington B65389U, was stopped in the roadway with the passenger door open. The truck had been involved in a collision with a parked vehicle, bearing Washington ALS1170, and had been left there. This vehicle was confirmed as the originally reported stolen vehicle from 1416 94th DR SE. Both vehicles had extensive front end damage. The owner of the F350, Joseph A. Lewis, provided a signed stolen report for the truck. Lewis advised that another parked vehicle had been struck on his street near where his truck was stolen.

A short distance away from the final collision was a row of mail boxes that were also damaged. I later went to where the first hit and run collision had taken place. A black F150 bearing Washington B55976R had been struck while it was parked on the side of the road. Tracks in the frost on the pavement leading to and away from the collision were consistent with the tires mounted on the F350.

A canine track was conducted from the area of the final collision location but was unsuccessful.

While containment units were in the area, a suspicious vehicle was observed unoccupied with the hazard lights flashing at the 1200 blk of 91st Ave SE. The vehicle ignition was punched, a screwdriver was on the seat, the stereo was missing and the windows were rolled down. The vehicle was partially blocking the roadway. The vehicle bearing Washington 6854LEM, was registered to Thomas G. Grayson. Grayson was contacted by phone and determined to be staying at 1833 92nd DR SE. He was unaware that his vehicle had been taken or the vehicle location until advised by law enforcement. Grayson responded to the scene with Lisa L. Engerseth. Grayson provided a signed stolen report for his vehicle.

Engerseth is known to police from previous unrelated contacts with her son, Austin R. Stevens (6/26/98). When asked where Austin was, Engerseth stated he was home sleeping but there had been another juvenile male at the house that was refusing to leave. A witness had stated that two possibly juvenile males were observed fleeing from the vehicle southbound into the wooded area.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

NAME OF VICTIM(S) Joseph Lewis; Thomas Grayson; Arturo Salas; Rebecca Sinclair; Alyssa Ottinger		

Officer Christensen followed Engerseth back to her house so she could get a pair of jumper cables. While en route, she pointed out a juvenile male that was walking at 91st Ave SE and 16th St SE and indicating that he was the male that was refusing to leave from her residence earlier. SCSO Gibson was asked to contact the male, later identified as Stephen M. Porcaro (7/22/96).

Officer Christensen arrived at the Engerseth residence and made contact with Austin. Austin indicated that he had been inside the house all night sleeping and that his friend [Stephen] had left the house and came back. Austin refused to cooperate with the investigation and told Officer Christensen to leave the house. Officer Christensen was then notified via radio by Dep Gibson that Stephen had confessed to stealing both vehicles with Austin. Austin was advised of his Miranda rights, told he was under arrest and placed into custody. Austin was then escorted to his patrol car. Austin said he claimed the 5th Amendment, no questions were asked beyond that point.

Stephen was advised of his rights and provided a written statement of the evening's events. He stated that he ran into Austin earlier and was pressured into hanging out with him. At about 2000 hours, the previous night, Grayson came home and told Stephen he had to leave. Austin and Stephen left. According to Stephen, Austin began prowling vehicles while Stephen provided a look out on the street. They were walking back to Austin's house when Austin mentioned he had vehicle keys in his pocket. They walked around the neighborhood they had been prowling for a while trying to find the vehicle that matched the keys, by pushing the remote button. When they did, Austin got into the driver's seat and Stephen the passenger side. The windows were iced over so Austin rolled down the window to see. Stephen said they may have hit up to 4-5 cars before the final collision that disabled the F350.

They left the collision scene and headed back towards Austin's house. As they passed a black SUV, Austin told Stephen to get in the passenger side. Austin then used a screwdriver to start the Grayson's vehicle and they drove away. The vehicle stalled and broke down on 91st. They tried to start it again for about 10-15 minutes before walking back to Austin's where they went to sleep.

Stephen's father, John Porcaro, was contacted and Stephen was released into his custody. Later that day, Alyssa Madden (nee Ottinger) reported her vehicle had been prowled. Among the items taken were a GPS, GPS accessories and miscellaneous chargers. Stephen had described he and Austin took similar items. According to Stephen the items were left at Austin's house. Officer Warbis and I returned to Austin's house and spoke with Engerseth. She stated she had just been into Austin's room and did not see anything unusual. She did not give us permission to search his bedroom.

I transported Austin to DYC where he was booked for 2 counts, violation of RCW9A.56.065 Theft of a Motor Vehicle and 2 counts, violation of RCW 46.52.010 Hit and Run/Unattended vehicle. I now have probable cause to arrest Austin and Stephen for violation of RCW9A.52.100 Vehicle Prowl. Charges for Stephen have been forwarded to the juvenile prosecutor's office for filing.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

FOLLOW-UP REPORT

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Vehicle Theft	INCIDENT NUMBER 14-00230
NAME OF VICTIM(S) Joe Lewis		

On 01-26-14 at 0643 hours, we were dispatched to a stolen vehicle report at 1416 94 Dr. S.E. Dispatch advised that the vehicle was possibly taken within the past 10 minutes. Dispatch added that the reporting party heard strange noises outside. The reporting party was later identified as Joe Lewis. Lewis said his white, 2011, Ford, F350 with a black lift gate was stolen from his driveway.

As Officer Bernhardt was in route to the vehicle theft she located the stolen vehicle in the 9300 block of 15th Pl. S.E. She advised that the vehicle had been involved in a collision. We all responded to her location, K9 was requested, containment was set.

I contacted Lewis and obtained a signed stolen from him for his vehicle. Lewis said that he did leave the keys inside the vehicle. Lewis did not give anybody permission to take his vehicle. Lewis was advised that his vehicle was involved in a collision. He was very upset and said that this will set his business back big time.

During the investigation we learned that there were multiple collisions involving this vehicle theft. We also learned that there were several vehicles prowled and items stolen.

Another vehicle, believed to have been stolen, was abandoned in 1200 block of 91 Avenue S.E., the vehicle had the ignition punched and a screwdriver left on the passenger seat, unoccupied, partly in the roadway, Officer Christensen and K920 (Deputy Gibson of the Snohomish County Sheriff's Office) located a subject in that area at the 1500 block of 91 Ave. S.E. Officer Christensen and Officer Warbis went to the address where the second vehicle was stolen. Deputy Gibson along with another deputy made contact with the subject.

I made contact with Deputy Gibson. I was told that the subject, later identified as Stephen Michael Lee Porcaro DOB/07-22-96, admitted to being involved in the theft of the vehicle that was parked at the 1200 block of 91 Ave S.E.. Porcaro told deputies that he was with Austin Stevens. Porcaro also told deputies that Stevens stole the white truck that was involved in the collisions.

I advise Porcaro of his rights from a Miranda card. Porcaro said that he understood his rights and is willing to talk to us. He also agreed to write a statement about what they did. Porcaro completed a rights waver and wrote a statement.

Porcaro was very cooperative he told me that he did not take any vehicles and that he was not involved in any vehicle prowls. Porcaro did say that he was with Austin Stevens and that Austin Stevens committed all of these crimes. Porcaro said that they walked from Austin's house to the location where they stole the

pickup truck and on the way while they were walking Austin Stevens tried every door of every car. Porcaro said that Stevens got into a few of the cars and stole items from the vehicles.

Porcaro said, after they got done checking cars Stevens realize that he had keys to one of the vehicles that they prowled. Porcaro said they both went back down the street while Stevens was trying the key fob on the set of keys until they found the white pickup truck. Porcaro said that Stevens got into the driver seat and Porcaro got into the passenger seat of the white pickup and Stevens started the vehicle. Stevens began driving away. Porcaro said that Stevens crashed into about four or five cars before they hit the one that stop the truck. Porcaro said from that point they got out of the vehicle and ran back to Austin's house. Porcaro said shortly after that they went out and took another vehicle. Porcaro said that Stevens was the driver and that he was the passenger again. Porcaro told me that the second vehicle broke down on 91st Ave. SE.

Porcaro agreed to drive around with me and show me the vehicles that Stevens got into. While driving around he was only able to positively identify the location of the cars that they stole. He said that on every street they walked, Stevens tried the doors to all of the cars. Porcaro said that Stevens only got into a few cars and that he did not take very many things. Porcaro was very confused about the location and could not remember streets or the cars very well.

I transported Porcaro to his home to talk to his parents. I contacted his father and explained why Porcaro was in the patrol car. He was surprised and very upset. I was told that Porcaro is on diversion for several burglaries. Porcaro kept asking if this would affect his diversion. Porcaro was released to his father.

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Theft of a Motor Vehicle x2 / Hit/Run Unattended x2	INCIDENT NUMBER 14-00230
NAME OF VICTIM(S) Lewis, Joseph A / Grayson, Thomas J		

On 1/26/2014 at 0643 hours, Officer Bernhard was dispatch to a vehicle theft that had occurred in the past 10 minutes. It was reported that the suspect (s) had stolen a white 2011 Ford F-350 with a lift gate. I responded to the area to search for the vehicle.

Officer Bernhard arrived and advised radio she was out with the truck and that it had been involved in a collision and the suspect (s) had fled the scene. I requested a K9 to the scene and Deputy Gibson and his K9 responded.

At 0720 hours, Deputy Gibson arrived and containment units were put in place. The K9 track was unsuccessful and containment units broke their positions. At that time Deputy McGill informed radio that he was out with a suspicious vehicle, left in the roadway with its flasher on. The vehicle was left in the 1200 91st Ave SE and I responded to the scene.

Upon arrival a neighbor contacted me and advised she had witnessed two, possible juvenile males ran southbound from the vehicle into the wooded area on the eastside of 91st Ave SE. The vehicle was a 1994 black Chevy Blazer (6854LEM). I noted both the driver's side and passenger side front windows were down. The ignition had been punched, stereo was missing and a screw driver lay on the front passenger seat. The windshield had been scrapped of ice, but was fogged over.

Deputy Gibson responded to my location and applied his K9. Deputy Gibson's K9 tracked started from the vehicle to the wooded area and southbound and then back onto 91st Ave SE before losing the track.

Officer Warbis arrived and had obtained a telephone number for the registered owner, Thomas Grayson and called him. It was determined Grayson vehicle was in fact stolen from where he was currently living with at 1833 92nd Dr. SE. I am familiar with the address and know that Lisa Engerseth resides there. I know Lisa from past unrelated police contacts. I also know Lisa has a juvenile son named Austin R Stevens DOB 6/26/198 whom I have had contacted in the past for criminal activity.

Thomas was transported to our location by Lisa where I spoke briefly to him and Lisa. I asked Lisa where Austin was. Lisa said he was at home in bed. Lisa said Austin had a friend over and they had been trying to get the subject to leave all night. I asked Thomas if he wanted to report his vehicle as stolen. Thomas said he was unsure, but believed it was the right thing to do and agreed to report the vehicle as stolen. Lisa needed to go back to her house to get jumper cables. I advised Lisa I wanted to talk to Austin to see if he was involved in either one of the incidents.

While following Lisa she pointed out to me a juvenile male walking in the 1600 91st Ave SE. The juvenile was dressed in black clothing and carrying a backpack. I requested Deputy Gibson contact the subject.

Upon arriving at the Engerseth residence I spoke to Austin who was refusing to come out of his room. When he did I directed him to sit on the couch. Austin complained that he was tired and tried lying down.

I asked Austin what he did last night. Austin said he was home all night and watched a movie and went to bed. During the contact I noted Austin was wearing a dark colored winter coat and a hooded sweatshirt. I advised Austin that officers were talking with his friend that he had over last night. I Asked Austin if he had anything to do with taking Thomas's vehicle or a white truck. He said he did not know what I was talking about. I told Austin now would be a good time to tell me if he was involved before his friend his did. Austin continued to deny being involved in the vehicle thefts. Austin then told me to get out of his house.

Deputy Gibson advised me via radio the subject they were out with (Stephen Parcora) was with Austin and had confessed to being with Austin when Austin stole Thomas's vehicle. Deputy Gibson also advised me via radio that Stephen had just confessed that he and Austin had also stolen the white truck and did numerous vehicle prowls in the area.

I advised Austin of his Miranda rights from my preprinted. I asked Austin if he understood his rights, Austin replied "yeah" and then told me he pled the 5th Amendment. I advised Austin of the juvenile warnings in which he indicated he understood. I advised Austin he was under arrest and placed him into handcuffs. Austin was escorted to my patrol vehicle where he proceeded to tell me I was a piece of shit and challenged me to a fight.

Austin was transported to the police department where he was secured in the BAC interview room while the booking form was completed. Upon completing the booking form Officer Bernhard transported Austin to NYC where he was booked.

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION VEHICLE THEFT	INCIDENT NUMBER 14-00230
NAME OF VICTIM(S)		

On 01/26/14 at approximately 0800 hours, I responded as a backing unit to a vehicle theft in the 1200 Blk. of 91st Ave S.E. While en route, I was directed to check with the registered owner of a vehicle that was also suspected of being stolen.

The vehicle in question was reported as a black Chevrolet Blazer with attached Washington L/P, 6854LEM. The vehicle is registered to Thomas Grayson with an associated address of 610 E. Lake Stevens Rd #87. I attempted contact at the residence and was informed that Thomas had moved out in October. The female resident provided a phone number for Thomas, at which time I ended my contact with her.

I arrived at the location of the blazer and contacted Officer Christensen, who had originally located the vehicle. I informed him that I had a number for the R/O of the vehicle, but had not called him as I was waiting to get more details about the incident. After Officer Christensen got me up to speed, I gave Thomas a call. Thomas sounded as if he had been sleeping when he answered the phone. I began asking him questions about the Blazer, at which time he cut me off and stated that the Blazer was at his house with him. I asked Thomas to get out of bed and check, which he did. Thomas discovered that the Blazer was no longer in his driveway, and stated that it must have been stolen. I informed Thomas of the location of the Blazer, at which time he stated that he would have Lisa bring him to me. I asked if the Lisa he was referring to was Lisa Engerseth, he stated that it was. I ended my call with Thomas and informed Officer Christensen that the R/O of the Blazer was living at the Engerseth residence. Officer Christensen stated that the two males that were reported to have run from the Blazer were described as juveniles and ran towards the Engerseth house. Lisa Engerseth has a son, Austin Stevens, who has had multiple contacts and is well known to the Police.

Thomas arrived at the location of the Blazer riding in a car driven by Lisa. I asked Lisa if she had seen her son Austin recently. Lisa stated that he and a friend were at the house sleeping when she left. I asked if he had been there all night, and she stated that she thought that he had. Officer Christensen followed Lisa back to her residence while Thomas stayed behind to fill out a stolen vehicle report. I stayed with Thomas while he was filling out the paperwork. Thomas informed me that Lisa had her hands full with Austin. Austin's dad is not around, which leaves Lisa to be the mother and father; however Austin claims that he runs the show. Austin reportedly does what he wants when he wants, and will not do anything his mother says. Thomas stated that the only thing he needs to do is to go to school; however he won't even do that. Thomas states that he doesn't feel that it is his place to act as the father figure, so he does not interfere in Austin's life.

As Thomas was filling out his paperwork, I was notified over the radio that the male that was staying with Austin, had left the house. The male was questioned and informed the officer on scene that Austin was the one responsible for the vehicle thefts. By this time, Lisa had returned with a set of jumper cables to help Thomas get his Blazer started and off the roadway. I cleared the 12th and 91st location and contacted Officer Christensen, who asked if I could collect some of the items from Austin's house that he was
